

FISHERS ADVISORY COMMITTEE ON DISABILITY AGENDA
Thursday, November 7, 2019
FISHERS CITY HALL Auditorium

5:30 pm to 5:45 pm

Same as U – Sara MacGregor, Program Director

Details will be shared about a post-secondary option for young adults with mild to moderate intellectual disabilities. Same as U will provide full-day programming in a college-like atmosphere in Hamilton County.

5:45 pm to 6:00 pm

Project Lifesaver of Hamilton County – Dave McCormick, Coordinator and Jim Hope, Primary Officer

Project Lifesaver of Hamilton County provides a way to quickly locate those with autism, dementia, Alzheimer's, PTSD, and cognitive disorders whom are at risk of life threatening wandering. There is no cost for enrolling in the program for those living in Hamilton County.

6:00 pm to 7:15 am

Understanding the Funding Maze: Jennifer Akers, Family Voices Indiana

Children and youth with special needs are in need of a level of health care needs beyond what is typically covered by insurance coverage. The presentation will explore commercial insurance, Medicaid and other coverage available for CYSHCN, Medicaid waivers, and SSI for children and adults with disabilities. Attendees will learn how to understand and access these funding programs.

7:15 pm – 7:30 pm

Announcements will be shared and there will be time for networking.
