

Fishers Police Department

We would like to tell you about two programs we developed for seniors living in the Fishers community.

The Morning Call Network is a telephone reassurance program designed to contact citizens who live alone, are disabled, or homebound.

The Senior Fraud Network is an education program targeting current scams and crime trends.

If you would like more information about our programs please call the Fishers Police Department at 317-595-3300.

Fishers Police Department

The Fishers Police Department is always looking for ways to establish partnerships in the community. The Safety Link program is designed to build those relationships with the senior citizens in Fishers.

There are currently two programs attached to Safety Link. The Morning Call Network is a telephone reassurance program for residents and guests in Fishers. The Senior Fraud Network is an education program designed to educate people about current scams.

Future efforts to the Safety Link program may include:

Senior Police Academy

Fishers Police Department
4 Municipal Drive
Fishers, IN 46038

Phone: 317-595-3300
Emergency: 911
Non-Emergency: 317-773-1282

Fishers Police Department

SAFETY LINK

The Morning Call Network

And

Senior Fraud Network

The Morning Call Network

The Fishers Police Department has created a new service for seniors living in the Fishers community that is a telephone reassurance program called "The Morning Call Network". This program provides a unique service to those senior citizens who live alone, are disabled or homebound. It is a telephone system designed to provide senior citizens with a daily telephone call. This telephone call lets them know that someone is checking on them and that someone cares. The concept is simple:

1. Senior citizens residing or visiting Fishers must complete all enrollment/registration forms to become a member.
2. Once the forms are complete, a police employee will place a call to each person enrolled, at a time and days of their choosing (between 8 am and 11 am).
3. When the telephone is answered, the employee will verify the well-being of the person. If the employee receives a busy signal, they will automatically retry the number at specified intervals.

4. If no answer is received, alert procedures will go into effect. The emergency contact people will be called and/or the Medical Alarm Company.
5. If the emergency contacts are unsuccessful, a Fishers Police Officer will check on the person at the address listed on the enrollment form.
6. Calls may be suspended for periods of time, vacations or for certain days of the week at the discretion of the member; however, notification of any suspension must be provided to the Fishers Police Department Morning Call representative at least forty-eight (48) hours prior to the suspension period.
7. The Fishers Police Department Safety Link program series is free and may include additional services as the program grows. Any expansion or change in services will be provided to all enrolled members.
8. To enroll, call the Fishers Police Department and speak with Sgt. Tom Weger at (317) 595-3300 or wegert@fishers.in.us. He will set up an appointment and come to your home and will answer all of your questions and assist you with the forms.

Senior Fraud Network

The purpose of the Senior Fraud Network is to prevent and deter fraud related crimes within the City of Fishers. The Senior Fraud Network provides fraud prevention awareness to the citizens, business owners, and organizations of the City of Fishers. By investing in fraud awareness within the community, it limits the damage caused by fraud related crimes. The Senior Fraud Network will focus on the constantly changing world of fraud and educate you on the types of fraud and how they occur. The Senior Fraud Network will serve as a vital resource within the community to detect and prevent fraud.

We would be glad to host a meeting at the police department or we can meet in your community. For more information or to schedule a presentation, please contact Detective Dean Mucha at 317-595-3300 or muchad@fishers.in.us
