- Plan for extra travel time in construction zones and drive distraction free.
- Find more details about the Hands Free Indiana law [here](#) that took effect July 1, 2020.
- We appreciate motorists' patience and caution while driving through construction sites.

STATE ROAD 37 IMPROVEMENT PROJECT

STATE ROAD 37 AND 126TH STREET

126th Street east of SR 37 is currently closed and is anticipated to reopen in November. During this time, cross access will be restricted, with only right in and right out. Northbound SR 37 traffic will not have access to 126th Street and will shift to the southbound lanes. Two lanes will remain in each direction. Local access to businesses will remain open. Detour route markers and advance warning signs will be in place prior to the closure. View the detour map [here](#).

On Saturday, October 17 southbound SR 37 will be restricted to one lane between 7 am and 7 pm for placement of HMA surface. This restriction will be between 131st Street and just south of the 126th Street bridge.

STATE ROAD 37 AND 146TH STREET

All left-turn lanes are currently restricted on SR 37 and on 146th Street with traffic moved to the interior lanes. Through traffic and right turns on SR 37 and 146th Street will remain open. This phase is anticipated to be completed by the end of November. Drivers are encouraged to seek alternate routes for all left turn access. View an alternate route map [here](#).

Please drive with caution through this area. To learn more about the State Road 37 Improvement Project and sign up to receive text updates, visit [37Thrives.com](#).

PROJECTS NORTH OF 116TH STREET

126TH STREET AND FORD DRIVE

Phase 2 construction of the 126th Street and Ford Drive roundabout is underway and is anticipated to reopen in October. During this phase, 126th Street will be closed east of Ford Drive to Kirkpatrick Way. Residents and businesses on Ford/Windsor Drive will be accessible from Lantern Road. Lockhart Cadillac will be accessible from southbound SR 37 only.

Phase 3 construction of the 126th Street and Ford Drive roundabout will begin on Tuesday, October 20 and is anticipated to reopen by the end of October. During this phase, the center of the roundabout will be constructed with through access restricted. Traffic will be able to make right turns in all directions. Some flagging will take place during this time. Check out the project [fact sheet](#) to learn more and view the detour map [here](#).

126TH STREET

The far eastbound lane on 126th Street between Hawks Landing Drive and Olio Road will have temporary restrictions throughout the day beginning on Tuesday, October 20 and is anticipated to be completed the week of October 26. Advanced warning signs will be in place.

PROJECTS SOUTH OF 116TH STREET

96TH STREET

96th Street east of the Sargent Road roundabout to Cumberland Road is currently closed and is anticipated to reopen in early November. During this time, the bridge over Mud Creek will be replaced with a widened structure and additional travel lanes will be added. Check out the project [fact sheet](#) to learn more and view the detour map [here](#).

There will be temporary lane closures throughout the week of October 19 on 96th Street east of I-69 as part of the resurfacing and median island project. [Please use caution while driving through this area](#). Check out the project [fact sheet](#) to learn more.

ALLISONVILLE ROAD

The far east lane on Allisonville Road south of 106th Street is currently closed between 9 a.m. to 5 p.m. Monday through Friday for work in front of Fire Station #93 and is anticipated to be completed by Tuesday, October 20.

FRANCES STREET

Frances Street between Meadows Drive and Lantern Road is currently closed and is anticipated to reopen in October.

MOORE STREET

Moore Street between 116th Street and South Street is currently closed and is anticipated to reopen in October.

NEIGHBORHOOD PROJECTS

BURBERRY

Road resurfacing is currently taking place and is anticipated to be completed by the end of October.

NICKEL PLATE TRAIL

There may be very short-term narrow lanes or lane closures at the Nickel Plate Trail crossings for the next 2 to 3 weeks to allow the contractor to pour concrete for pole foundations. Please use caution when driving through these areas.

Beginning the week of October 19 grading and paving will begin on the Nickel Plate Trail between 126th Street and 131st Street and is anticipated to be completed by the end of October.
